Description

A matching set of four late 19thc French gilt bronze ormolu curtain tie backs c1880. The tie backs have an ornate classical design. The wall mount is a sheath decorated with acanthus leaves and an urn of flowers. The tieback arm is spiralled with a scroll and acorn finial. The backs bear the initials of the maker AJ and most bear the pattern number 21. The gilding is still fresh and shiny and they are in very good condition.
