Description

A superb Georgian Lambing Chair dating from the mid to late 18th Century. It is a traditional construction made from a mixture of oak and fruitwood and sits on rockers with tall wing shaped sides. The seat lifts out to provide storage. It is a good quality piece with a beautiful patina and rich colour. It is in very good condition for its age and displays beautifully. There are of course signs of age and use, some marks and knocks and small chips and natural shrinkage splits but nothing untoward or detrimental. There have been some old repairs but there are no major damages and it is strong and sturdy. It has been cleaned and gently polished and is ready for use. Approximate Dimensions : Height : 49" (125 cm) Width : 27" (69 cm) Depth : 29" (74 cm) Seat Height : 18" (46 cm).
