Description

A good set of 6 windsor farmhouse dining chairs with lathe backs. They stand on ring turned legs joined by H-stretchers. There are slight differences between the chairs and a couple are slightly darker but they go together very nicely as a set. The chairs stand approximately 35" (89cm) high. The seats are 15" (38cm) deep, 14" (36cm) wide and between 17" (43cm) high. They are in good original condition with a nice colour. They are strong and sturdy with no major damages and just a few good old repairs. There are signs of age and use, some marks and light knocks on the seats and around the legs and minor old shrinkage splits but nothing detrimental. They have been gently cleaned and polished and are ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
