Description

Gents 1960s Garrard wrist watch. The watch has a Swiss 17-jewel hand-winding movement which is working nicely. The movement is protected by an inner hinged cover. The watch measures 33.5mm diameter excluding the winding crown and the lugs. The case is stainless steel. There is a little marking to the top lugs, and light marking to the back of the watch, but nothing too detrimental. The lens is in lovely condition. The signed dial is in very nice condition with original hands, a subsidiary seconds dial and outer minute markers. A new leather strap has been fitted. The watch comes in a new presentation box.
