Description

1930s Tempo pocket watch. The watch has a Swiss 15 jewel stem-winding movement which is working nicely. The watch measures 47mm diameter excluding the winding crown and the loop. The case is gold filled and it is in good condition, just the odd small mark but nothing serious at all. The glass lens is in good condition. The signed gold coloured harlequin dial in its original finish with original hands. The watch will come in a new presentation box.
