Description

Antique Thomas Russell half hunter pocket watch. The watch has a 10 jewel stem-winding movement which is working nicely. The movement is signed with the Thomas Russell name and Tempus Fugit logo. Thomas Russell & Son was a well respected business having achieved a Royal Warrant as watch and clock makers to the Queen and the Duke of Edinburgh. The movement is protected by an inner hinged cover. The watch measures 50mm diameter excluding the winding stem and the loop. The case is gold plated and it is in good condition with just the odd small mark, nothing too serious at all. The front cover has a small central lens surrounded by dark blue enamel filled numerals. The winding crown pushes in to open the front cover. Inside, there is an acrylic lens which is in good condition. The dial is in lovely condition with blued steel hands, including the special half hunter hour hand so that the time can be read when the front cover is closed. The watch comes in a new presentation box.
