Description

A good example of a solid Sterling Silver pepper shaker. It is a stylish with a frilled rim set on a round foot with a pointed finial and pierced top. It weighs approximately 42g. It is clearly hallmarked for Birmingham, 1904. The makers mark is slightly rubbed but could be for Adie Bros Ltd. It is in good condition for its age. There are some faint surface marks and minor dinks but nothing detrimental and overall it displays well. It has been gently cleaned and polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £6 Rest of the World £25
