Description

These are a very stylish, late 19th century pair of French open armchairs. Made from oak with a great shaped stretcher. The quality is very high and the design is classic that I believe will work well in a great number of interiors. The shaped arm and tactile feel is what drew me to this in the first place as well as the back that tapers outward at the sides which is a wonderful detail. Measurements Height 124cm Width 61cm Depth 75cm Depth of seat 44cm Height of seat 50cm (On my website) If you would like these chairs upholstered please click yes in the upholstery drop down menu. This would require 8 metres of material (4m per chair). You can supply your own or please get in touch and we will send you the list of fabric companies we work with. All my armchairs and sofas have been fully restored, springs, legs, padding etc so these will stand the test of time even if used everyday. Price includes UK mainland delivery
