Description

Incredible Art Deco 18ct Gold Platinum Diamond and Blue Zircon Solitaire Ring. Such an underrated stone this stunning Blue Zircon literally radiates out with a high double refraction of over 1.79. it is not to be confused with cubic Zirconia which is a synthetic stone. Blue Zircon is 100% natural stone. This blue zircon is a very beautiful bright light blue stone measuring 8mm x 8mm. This Ring has small 16 round cut pretty 2 point diamonds all the way around. This Ring dates to the Art Deco period and is fully hallmarked for 18ct gold, london 1923. The ring is in overall very good condition with a strong shank, no chips - but with some wear to the facet edges of the zircon. This would make a fantastic engagement ring. Size UK M or US 6. Weight is 3.9g Please Check Sizes And Weights As JEWELLERY IMAGES ARE ENLARGED. Dark areas are reflections on the gold. BUY WITH CONFIDENCE: I try to accurately describe my items. I never knowingly mis-sell any item, so please read the description carefully as all flaws are mentioned.
