Description

17th.c. oak coffin c.1660. Essentially a six plank chest, though with joined (rather than single piece) boards. Measuring 49" wide, a little larger than the majority we see of this style. Sturdy enough to use as a hall seat with storage. Simple moulded detail to the lid and front, original iron hoop hinges and lockplate. Later oak bearers reinforcing to the underside of the lid. Otherwise very good original condition and lovely colour and patina. Cleaned and waxed in our workshops. Dimensions: Width 49" Height 25" Depth 17".
