Description

A charming and quite unusual antique Arts and Crafts mahogany side table / work box. This was made in England, it dates from around the 1890-1900 period. It is very well made and is a useful size. The top has a lift up lid that reveals a felt lined storage compartment, flanked by two drawers with built in dividers. This is made from beautiful mahogany with a gorgeous patina, the brass handles are also very finely made. The back of this is nicely finished so it can be used as a free standing item. We have had this re-polished, the condition is excellent for its age. Width – 19 inches , 47 cm Depth – 13 inches , 33 cm Height – 29 inches , 74 cm
