Description

Gothic Oak DRESSOIR: 1460 - 1500 , France - Flandres This exquisite Gothic oak dressoir dates back to the 15th century. This remarkable piece is a rare survivor from the Haute époque period and holds historical significance. The dressoir features a canted design with two upper cupboards adorned with intricately carved tracery decoration on the front and sides. The drawers beneath are free-floating, adding an element of elegance and functionality. The dressoir comes with the provenance of a highly regarded expert in early European oak, further enhancing its authenticity and historical value. Proudly displaying a wonderful colour and patina adding to its character and authenticity reassuring signs of age. Dimensions: 159cm width x 53cm depth x 151cm high UK Delivery 100 GBP
