## Description

WE ARE SORRY THIS WATCH IS NOW SOLD. TO SEE OUR LATEST FULLY RESTORED WATCHES PLEASE VISIT OUR MAIN WEBSITE [WWW.FOWEYRIVER.COM](http://WWW.FOWEYRIVER.COM) . . . . . Outstanding Trebex oversize solid 9ct gold gents wristwatch c1961. ~~~ Totally original throughout ~~~ This is a very fine example of a gents classic oversized wristwatch made by the small swiss maker Trebex. The watch has a beautifully made full 17 jewel Swiss movement with substantial ruby jewelled bearings from the golden age of swiss watchmaking and as you can see it is in fabulous like new condition. It is the type of movement that will probably last 200 years just like a fine pocket watch movement. The watch comes with a new red presentation box to keep the watch in perfect condition. It has a high quality brand new chestnut leather strap which looks stunning or we can fit a black strap if you prefer. The dial is totally unmarked and like new It has Edinbrugh hallmarks which is quite unusual, the date letter indicates that it was made between 1960 and 1961. This watch looks as if it has rarely been worn and certainly has that understated elegance that whispers class. The watch case measures a very large 36mm in diameter...
