Description

A fabulous and rare set of 30 (15+15) backgammon counters; if you have a very large period backgammon board needing counters, this is a great opportunity. The "black" counters look to be carved from solid Ebony and the "white" counters look to be ebonised fruitwood with bone insets to both top and bottom. Each measures 2 1/8" in diameter x 1/2" thick and all remain in excellent antique condition with minor wear commensurate with age and use.
