Description

Size: 3ft 1in x 3ft 7in (95 x 108cm). Antique Turkish Kiz Bergama rug of classic design with superb colour. Circa 1850/70. The rug is of a traditional design associated with these small rugs, they are considered to be 'dowry' weavings. This example is well drawn with good colour and fine weave. This example is almost square in size, it has fine weave and a rustic feel. I would consider this to be one of the oldest examples of type, probably a generation older than most that are known. The rug is in excellent condition with even wear and medium pile. The rug has been hand washed and is ready for use or display. The rug is suitable for light domestic use or would make an outstanding wall hanging. Stock Number: H-516a.
