Description

A refined late 19th century trumpet style sewing table with a particularly attractively figured burr walnut top opening to an exceptionally clean all original interior. Very good condition, structurally all in good order with just some appealing aged wear and colour. There is some evidence of old, long gone woodworm to the base but this only adds the character and charm of the piece. English, late 19th century. H: 75 W: 44 D: 43 cm
