Description

~ French - Circa 1880 ~ ~~ Excellent condition, fully overhauled ~~ A large and superb gilt bronze antique French clock, retailed by Tiffany & Co, New York. Beautifully modelled in the Baroque style most likely by the famous Bronze founder Maison Baguès. The clock is mounted in a drum supported by winged goddesses with a cherub mask below the dial. The dial is porcelain enamel with a gilt bronze centre with the Tiffany & Co signature cartouche. It is complete with beautifully blued steel hands and convex glass. The French movement is of high quality with rack striking and jewelled platform escapement. It is in excellent clean and running condition having been fully overhauled by our clockmaker. Platform has probably been replaced at sometime. It runs for 8 days and strikes the hours and halves on a sonorous coiled gong. We have a video of the clock, please ask and we will send you a link or paste this in to your browser: https://www.youtube.com/watch?v=2G_mkU-vy7s Condition of the case is excellent, the original gilding is beautifully clean and bright with hardly any wear or discolouration. The dial is also in very good condition, there is a crack near the left hand ...
