Description

A really delightful, quality garniture set by VINCENTI of PARIS. It has a very heavy cast metal, gilded case and should not be confused with the more often seen low quality spelter cases. Sevres panels throughout, as are the garnitures. The 8 day movement has just been fully overhauled by our BHI registered horologist and carries our usual 12mths full parts and labour guarantee. It strikes the half-hour and the number of hours on the hour. Beautifully clean and bright throughout. All cards accepted. Clock: 47cm high Garnitures: 35cm high.
