Description

This handsome Victorian ship in a box diorama which has been lovingly handmade using wood is of beautiful quality, dates from the late 19th century and is encased in a glass fronted wooden box. We believe this diorama is a model of a ship mooring at Tynemouth pier with Tynemouth Priory Castle and the lighthouse in the background. This full ship in a box is a model of Lance, a black & white ship and has wonderful detail including four masts with rigging and a red ensign flag flying. This charming piece of folk art is in very nice condition, looks wonderful displayed on a shelf and makes a great talking piece. Dimensions: Length: 37 cm (14 1/2"). Width: 11.5 cm (4 1/2"). Height: 24 cm (9 1/2"). Weight: 1.898 kg. Condition: Excellent original antique condition with light signs of use in keeping with age. Some age related wear, paint splatters, cracks and light foxing as expected. Please note that only the diorama is included and any other items in the pictures are for display only.
