Price

Sold**Item Reference: SA1044821****Date of manufacture: 1900**

Description

Large darkened steel cased Swiss made Goliath 8 day pocket watch, 2,3/4" or 70.5mm diameter case, push pin hand setting, winds fully, runs for many days keeping good vintage time. Darkened steel. commonly referred to as gun metal with rose gold highlights to the bezel, crown, hinge and pin mount. Stem-winding movement with the Swiss cross 7032, refers the 1893 patent for 'new watch caliber with eight days of operation', with the inventor and applicant listed as Amedee Douard. Perfect enamel dial, blued steel hands, flat bevelled glass crystal. Good tight case, double rear covers, jewelled gilt movement. All in very good condition with no damage or repair, a few insignificant light marks to the case. Watch weight: 238 grams Collectible watch for occasional use, not shock or waterproof, not recently serviced, run duration and time keeping not guaranteed. Currently runs for about four days, would run longer if serviced. With original green leather covered wooden easel case, blue velvet and silk fitted interior. Gross weight 392 grams

Internal Ref: 240122
