Description

This set of four French antique terracotta resin pots which have a wonderful shape date from c1900 and were originally attached to pine trees to collect resin/sap. These handmade clay pots have lots of wear, patina and crystallised resin residue leaving a beautiful rustic look and the crystallised pine resin residue gives these pots their pine odour. Today they make attractive display pieces, flower pots or storage pots. Approx dimensions of each: Diameter at widest part: 15 cm (5 3/4"). Height: 10.5 cm (4"). Total weight: 2.272 kg. Condition: Well worn antique decorative condition with lots of beautiful wear, chips, remains of resin and patina. Please note that only the four pots are included and any other items in the pictures are for display only.
