Description

A high quality, small proportioned, Westminster chiming longcase / grandfather clock by Maple of London. The beautifully figured burr walnut case of excellent colour and patination. The shaped topped and moulded hood surmounted with a carved cresting with beaded moulding, beneath canted corners with applied carved decoration. Convex glazed locking hood door surrounded by matching beaded moulding. The shaped trunk door, with beautiful book matched burr walnut veneers, with finely executed carved decoration to the upper section. The perimeter of the trunk door having a decorative moulded edge. The raised panelled figured burr walnut base with decorative moulding over the step moulded shaped bracket feet. The original lock keys and hinges to the hood and trunk door. The case sides beautifully veneered with figured walnut of the highest quality. The case is made to a very high standard using the very best materials and is in excellent original condition. The circular silvered brass dial signed to the lower centre Maple, London. The finely engraved dial centre with Roman chapter ring with an outer minute track. Chime / Chime silent selector to the right of the numeral III. A ...
