Description

This unusual Victorian Page Turner is carved and decorated in the form of a Fish, possibly a Brown Trout. It makes me smile every time I look at it. The Fish can be stood on his fins for display as a desk ornament or on a shelf. He has one glass eye - the other is missing. There is a chip to the tip of one of the back fins and nibbles to the curved end. He has a warm colour and patina and lots of charm. Length: 12.5 inches (32 cm) Width: 1.5 inches (3.5 cm) Depth: 0.5 inch (1 cm) Express delivery within the UK is included. We ship Worldwide and are happy to quote for Overseas Shipping on request.
