Height = 20 cm (7.9")

Description

Here we have a fine quality Victorian Tunbridge ware desk top thermometer in the form of an obelisk, it is of classical form on a plinth base and decorated with mosaic falling bricks pattern, the design is attributed to Henry Hollamby and was made to commemorate Cleopatra's Needle, there is a bone plate showing the temperature in fahrenheit behind the working thermometer. A beautiful working example that would grace any collection. c1880 Size: 200 mm high Free postage and packaging is included in the price of this item.
