Description

A Handsome Regency Simulated Rosewood and Cane Chaise Longue. We can have a cushion made for you at cost if you require. Of gondola form with cane seat and double caned detachable and interchangeable arm. Attractive swan neck and scroll work to the arms. Standing on sabre legs with large heavy gauge brass lions paw feet and castors. Brass phoenix decoration to frieze on one side. A lovely colour and patina with wear commensurate to age and use. The cane is in excellent condition to the seat and back with just one small area on the side arm with loss. This is shown in the photos. The side arm can be detached or changed over to the opposite side if so wished. Becoming increasingly hard to find in this condition. Seat height 33cm.
