Description

A wonderful and very unusual example of a Swiss Black Forest box, hand-carved from Fruitwood in the form of an old boot. The cat is chasing the mouse into the boot with the mouse peeking out of the toe of the book and the cat's head out of the side of the boot; both retaining their glass eyes. The hinged lid opens to reveal a brass chamber inside. Dating to c.1890, it remains in excellent condition measuring 8 1/2" x 4 1/2" x 5 1/2" tall.
