Description

A beautiful and unusual antique wine cooler table with a lift up lid, in solid birch. This was likely made in the 1920's, it has a typical Moorish influence in the design. It is dated on the bottom, 4/7/28. It has a gorgeous shape and is a useful size, with hexagonal sides and etched grape vines all over. The top flips up to reveal a removable tin wine cooler storage space. I suppose it could also be used for any storage. This is in excellent condition for its age, we have just had it re-polished. Width – 19 inches , 49 cm Depth – 19 inches , 49 cm Height – 22 inches , 56 cm
