Description

This is a gorgeous example of an Old Sheffield Plate wine cooler, dating from the reign of George III c1810. In a classic 'campana' style, it is in three parts, being fitted with a removable rim and inner sleeve liner for ice. It's in a great condition: there is loss to the plating, as one would expect, but this is mainly around the pedestal base. There are no dents and no inscriptions. Dimensions: Height: 24cm Diameter at top: 22cm. Post and packaging are free within the UK. Overseas buyers please e-mail for postage costs and please note: Import duties, taxes, and charges are not included in the item price or shipping cost. These charges are the buyer's responsibility. Please check with your country's customs office to determine what these additional costs will be prior to buying.
