

SA104619

16th Century Elm Boarded Chest c. 1580

Price

Sold**Item Reference: SA104619****Date of manufacture:**

Description

A very good and original example of a 16th Century six plank boarded elm chest with thumb nail edge detail on V cut supports. Lovely untouched condition with original lock plate (latch appears later c. 1700). A couple of old splits - long since stable and the chest is very sound, heavy and in superb condition and with fabulous colour. 41.5 inches wide, 16 inches deep, 22 inches high.
