Description

A stunning original Art Deco period burr walnut wardrobe. This was made in England, it dates from the 1930's. It is a great size and is of exceptional quality. There are amazing burr walnut grain patterns throughout, with rosewood banding on the top and lower edges. The original handles are Bakelite and brass, this has lots of very useful storage space inside. We have had this stripped and re-polished to a very high standard, the condition is excellent throughout. It breaks down into four pieces for ease of transport. Please Note – The real colour is blonder than the images suggest. It looks a bit reddish in the images, but that's just the flash playing tricks. There is no red in it. We also have the matching dressing table and stool that came with this, seen listed under our other items for sale. Width – 60 inches , 153 cm Depth – 23 inches , 58 cm Height – 74 inches , 187 cm
