The shank feels well made and durable. **SIZE:** UK L 1/2 US 6 can be resized. A unique art deco emerald and diamond ring circa 1920s. This antique ring is typical of the art deco geometric style with the channel set emeralds forming a cross shape in the piece. The 10 emeralds are set with 9 old cut diamonds in a bold and bright pattern. All the stones are encased in platinum which carries on through the shoulders of the ring. The rest of the shank is 18ct yellow gold. It is a spectacular art deco emerald and diamond ring which would be suitable for everyday wear. **SHIPPING - UK ORDERS:** Orders received before 11am Monday-Friday UK time will be dispatched the same day. This is via Royal Mail Special Delivery which is a fully tracked and insured service and will require a signature on arrival. **INTERNATIONAL ORDERS:** Please allow 1-2 days processing time.
