Description

Large Galle cameo glass aquatic vase C1910 Decorated with an abundance of aquatic plants, pond lilies, irises etc. A highly decorative vase of fine quality and detail. The condition is very good. The inner rim has a slight indent to touch. This can be seen in the photo where it shows clear against the yellow. I imagine this has occurred during production. Provenance: The vase was own by Sir Elton John. It was sold in 1988 by Sotherbys. Accompanied with the vase is the four volume catalogue and prices realised. The vase also has the Sotherbys label and tag The vase was sold in 1988 for £2640 the lot number was 507
