Description

For sale is a charming antique pine shoe bench/cupboard featuring two doors at the base, a shelf inside, along with a comfortable seating area above complete with a backrest. It's quite possible that this piece was crafted from parts of an old pine sleigh bed, likely dating back to the 1920s, though its exact origins remain uncertain. Please note, the right-hand door may require a minor adjustment, so kindly inform me beforehand if you're planning to purchase and collect. With a current seat height of 24 inches, you may find it slightly elevated for sitting. However, the feet are removable, offering the option to lower the height by 3 inches if desired. This delightful piece can be acquired as it is in bare wood for £350, or alternatively, waxed for £397. Dimensions: Height: 44 inches Seat height: 24.5 inches Width: 31 inches Depth: 16 inches
