Description

A fantastic antique burr walnut pie crust coffee table. This was made in England, it dates from the 1920-30's. The quality is outstanding, this is beautifully made and is a lovely size. The top has a flower shaped design with a raised pie crust edge. It sits on cabriole legs with shell carving at the knees and claw and ball feet. We have had this re-polished, it is in very good condition for its age. There are various small faint marks and indentations to the top remaining beneath the polish, commensurate for age. Width – 26 inches , 66 cm Depth – 26 inches , 66 cm Height – 17 inches , 44 cm
