Description

A gorgeous antique figured walnut chest on chest of drawers of small proportions in the Georgian style. This was made in England, it dates from around the 1930's. It is of great quality and is a very useful size; slim so as not to take up too much floor space, yet offering plenty of storage space. It has a bow shaped front and sits on bracket feet, the highly figured walnut grain patterns are stunning. We have recently had this re-polished, the condition is excellent for its age. Width – 23 inches , 59 cm Depth – 15 inches , 38 cm Height – 43 inches , 109 cm
