The Pisani Pedestal

Price

Sold

Item Reference: SA1047075

Date of manufacture: Select

Description

A large & bold architectural plinth replicating an early 18th century example from The Palazzo Pisani in Venice. Available to commission. Featuring raised-and-fielded panels on all four sides with a concave border and overhanging cornice. Crafted using antique pitch pine and Douglas fir for the mouldings. Painted with an early stone colour and dry-stripped to finish. This example is for sale and an ideal pedestal for displaying sculpture. Measures - 95cm H x 54.5cm W x 54.5cm D Overall.
