Description

Dimensions:W: 34cm (13.4")H: 71cm (28") Pretty 19th century French chandelier. It has been professionally rewired and PAT tested (see photo) with clear wire along the arms and dull gold braid through the stem. It has new white card bulb holders. It has all of its original crystal plaquette drops and a multi faceted crystal ball finial. It has its lovely bronze frame in a leaf design and a 2 tiered crystal stem. It has its original chain and ceiling rose. Approximately 16cm of chain could be removed if you wanted it shorter. Bulbs shown not included.

Internal Ref: 10893
