Description

A rare walnut country (folk art) decorative table circa Late 18th or early 19th century. Stunning faded colour on this very old walnut table with beautiful scalloped rails all around. Strong construction with chunky feet and a stretchered base. One old patch repair to the top which has lots of wear and marks from use, presumably as a kitchen prep table. Great as a side or centre table, or in an antique kitchen. Also a great commercial piece for displays. Width 107cm (42") Depth 63cm (25") Height 66cm (26") *Price includes VAT.
