Description

A lovely Victorian walnut writing slope with brass corners, brass strapping on the edges and a matching brass cartouche and escutcheon. The box comes with its original working key. Inside, the box is fitted with a leather writing surface with a gilt tooled 'greek key' edge. It comes with a brass topped glass inkwell, a pen tray and a small stamp slope. There is a secret compartment with 2 small hidden drawers below the leather surface that springs open by lifting a piece of wood next to the inkwell. The box is in very good condition for its age with a beautiful patina. The leather writing surface is showing some signs of age and is worn a little along the crease but still looks good inside the box and is very usable. There are some small old knocks and marks around the outside of the box and some shrinkage splits and general signs of use and age but nothing detrimental and overall it displays beautifully. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £15
