Description

A substantial hand-carved walnut screw thread from a huge grape press in Burgundy, France, circa mid 1700s. Standing on a tripod base which we believe to also be part of the original grape press. Much taller than most examples it was clearly from a very significant press. Its got a rich mid-brown colour and is finished with wax polish. An impressive piece and a real talking point. Width 95cm (37.5") Depth 61cm (24") Height 187cm (73.5")
