

SA1047541

Early 18th Century Oak and Elm Lowboy c. 1710

Price

Sold**Item Reference: SA1047541****Date of manufacture: 1700**

Description

Very good early lowboy with oak lined drawer and hand azed elm three boarded top set on well turned legs and retaining original brass split pin handles. . Pegged throughout and with channel carved stretchers, some old worm – long since dead – to stretchers. Original oak drawer linings. . Very rich and deep colour and natural patination, particularly lovely to the top boards which have developed a natural rippling in the surface of the elm which really enhances the tactile quality and appearance of the table. . Sturdy, extremely heavy and substantial. . . Dimensions are: . 30 inches wide, 20 inches deep and 29.5 inches high. . For metric please multiply by 2.5
