Description

A good quality mahogany Linen cupboard dating from the mid to late 19th Century. It has two nicely panelled cupboard doors that open to a shelved interior with the original pull out linen slides. The cupboard stands on turned bun feet and it comes with its original working key. It is in good condition for its age. The interior is clean and tidy and the slides run smoothly. The mahogany has a wonderful rich patination and there are no major damages to the exterior. There are of course some signs of age and use here and there, some minor marks and knocks and a small chip to the moulding (see photo) but nothing detrimental. It has been cleaned and gently polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Nationwide delivery available through our network of reliable couriers. Please get in touch for an accurate quote to your location.
