Description

A lovely pair of mahogany bedside cupboards dating from the late 19th / early 20th century. The doors have nicely shaped panelled detail with carved art nouveau panels and brass handles. The doors open to reveal a shelved interior and both cupboards have working keys. They have overhanging tops with inset leather panels and they stand on plinth bases. They are in good condition for their age. There are some minor signs of age and use, a few small marks and knocks but nothing detrimental and overall they display well. They have been cleaned and gently polished and are ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Nationwide delivery available through our network of reliable couriers. Please get in touch for an accurate quote to your location.
