Description

A stunning Swedish 1920's pair of Art Deco armchairs with stylish and shapely elm frames. They were recently imported from Sweden, they date from the 1920-30's. They are of excellent quality and beautifully designed. The frames have scalloped backs, the open elm arms have nicely shaped curves and they sit on solid elm tapered legs. We have had the frames stripped and re-polished to very high standard, and they have been fully re-upholstered in cream cotton fabric. The condition is excellent for their age.
