Description

A superb set of six cased Chinese Export solid silver spoons. They are unmarked but test as high grade silver. I would date them to c1920. They have been beautifully designed with the bowls being engraved with flowers. Their handles are decorated with flowers and butterflies. They are in super condition being free from dings splits and repairs. The case is also superb. They measures approx. 4.5 inches (11.2cm) long by 1 inch (2.4cm) wide and have a combined weight of 42 grams excluding the case. A beautiful set.
