Description

An absolutely stunning cast top silver George IV pocket snuff box. It was made in Birmingham in 1829 by William Simpson. Simpson was to my mind one of the greatest box makers of the 19th century. His pieces are always of exceptional quality and a deceptively heavy weight. This one has a running Hare on the top along with engraved and cast leaves and swags. It is in excellent condition with no issues and a great piece to add to any collection. WEIGHT; 84 grams or 2.7 ozst approx. Free delivery in the UK. Payment by bank transfer, over the phone, PayPal or Stripe.
