Description

Antique silver watch chain and fobs. The chain measures 35cm long including the T-bar and the clasp. The T-bar is hallmarked for 1915. Each of the links has the lion silver mark although some of the marks are rubbed. There is also a maker's mark but it is difficult to read. The chain comes with a 1912 heavy silver fob awarded by the Queens Arms Clubs. This would originally have had a rose gold wash but much of this has rubbed off over the years. Also included is a fob to commemorate the Silver Jubilee of King George V and Queen Mary, presented by Geoffrey Lloyd MP. Total weight 54g.
