Description

A lovely turn of the nineteenth century, early twentieth century fully adjustable reading, writing table from the renowned workshops of John Carter of London. Carters produced a small range of highly functional and now highly desirable tables, this one with its' quarter cut Oak veneered top and cast-iron base and fittings, adjusts for height, and front to back angle of the top, allowing it today to be used for a multitude of purposes including reading, artwork display and painting, sheet music or as a stylish lamp table, versatile indeed! (Max height is 110cm)
