Description

If you would like this armchair upholstered please click yes in the upholstery drop down menu. This would require 6 metres of material. You can supply your own or please get in touch and we will send you the list of fabric companies we work with. All my antique armchairs have been fully restored, springs, legs, padding etc so these will stand the test of time even if used everyday. This is a beautiful Victorian country house armchair in a design I have not seen before. Extremely elegant with the splayed arms but still a large size making it ideal for everyday use. Very comfy and the quality is great with turned mahogany legs. The casters are later but do suit the chair. We can however change these for you if you prefer.
