Description

A rare opportunity to acquire a spectacular matching pair of Art Deco bedside Cabinets in Blonde Birds Eye Maple. Both cabinets are identical to each other and feature three generously sized drawers, all open with ease and retain their original catalin bakelite and chrome handles. The tops of the cabinets revolve like a lazy Susan , allowing further options for positioning of the mirrors. The mirrors themselves can also be adjusted to different angles and directions. These types of cabinets rarely come onto the market, a genuinely rare find. The craftsmanship is excellent as is the condition having been through our workshops and professionally restored. Height of the cabinets without mirrors is 71cm. Offered with FREE UK mainland two man delivery (excludes remote parts of Scotland, Wales)
